Summary

Ambitious third year undergraduate student pursuing MBA Tech degree in Computer Science eager to gain hands-on experience. Adaptable and driven with strong work ethic and ability to thrive in team-based or individually motivated settings.

Education

Qualification	Institute	Year of Completion	Grades
MBA Tech in Computer Science	Narsee Monjee Institue Of Management Studies, Shirpur	2023 (Expected)	3.53 / 4.0 (till now)
B. Tech (Hons.) in Machine Learning and Data Analytics	Narsee Monjee Institue Of Management Studies, Shirpur	2022 (Expected)	-
XII	Girls' High School & College (ISC Board), Prayagraj	2018	77%
X	Girls' High School & College (ICSE Board), Prayagraj	2016	87%

Technical Skills

Domain	Proficient in	Familiar with
Languages	C, Python, Java	C++, Scala
Operating Systems	Windows, Linux (Ubuntu)	MacOS
Database	MySQL, Oracle SQL	Microsoft Access, NOSQL
Web Development	HTML, CSS, JavaScript	PHP
IDE	IDLE, BlueJ, Microsoft Visual Studio, Turbo C, PyCharm	NetBeans, CodeBlocks
Familiar with Data Structures and Algorithms Familiar with Computer Networks (TCP/IP model), Data Science and Machine Learning		

Certifications

Domain	Material	Offered by	Title
Applied AI	Professional Certificate	IBM	• Introduction to AI • Getting Started with AI using IBM Watson • Python for Data Science and AI • Introduction to Computer Vision with Watson and OpenCV
AI	30 day webinar	Pantech Solutions	• AI using Python
Applied Data Science	Specialisation	IBM	• Python for Data Science and AI • Data Analysis with Python • Data Visualization with Python • Applied Data Science Capstone
Data Science	1 week webinar	SKNCOE, Pune	• Data Science for Engineering Problem Solving
Medical Imaging	1 week webinar	SKNCOE, Pune	• Research Trends in Medical Imaging
Machine Learning	Course	University of Washington	• Machine Learning Foundations: A Case Study Approach
Web Development	Courses	Jose Portilla, Head of Data Science, Pierian Data Inc.	• Python and Django Full Stack Web Developer Bootcamp
		University of California	• Introduction in Search Engine Optimisation
Programming	Course	University of Michigan	• Getting Started with Python
Cyber Security	Workshop	Lucideus	• Ethical Hacking
Robotics	Workshop	Ambiora	• Robotics
Computer Science	1 week webinar	NMIMS	• Emerging Trends in Computer Eng.

Projects

	Topic	Tools	Link
Projects	Reading the Digits	Tensorflow, Keras, Jupyter Notebook	https://github.com/devanshisingh/Reading-the-digits-with-Tensorflow
	Compiler Design	Python	https://github.com/project-drive/Bhasha
	MovieCentre Website	HTML, CSS, JavaScript, PHP	https://github.com/devanshisingh/MovieCenter
Mini Projects	Hospital Management System	Python, MySQL	https://github.com/devanshisingh/hospital-management-system

Non-Technical Skills

- Verbal Communication
- Non-Verbal Communication
- Problem Solving
- Teamwork

Certifications

Domain	Material	Offered by	Title
Business English	Courses	Arizona State University	• Business English: Management and Leadership • Business English: Finance and Economics • Business English: Marketing and Sales
		University of Washington	• Business English: Networking
Blogging	Workshop	Ishan Sehgal	• Blogging as a Business
Miscellaneous	Debate	NMMUN	• Narsee Monjee Model United Nations 2018 • Narsee Monjee Model United Nations 2019
	Webinar	ESUMMIT (NMIMS)	• Chemical, Biological, Radiological and Nuclear Risk Mitigation and Incident Management
		National Institute of Disaster Management	• Disaster Psycho-Social Care
	Courses	University of California	• Work Smarter, Not Harder: Time Management for Personal & Professional Productivity

		University of Edinburgh	• Understanding Obesity • The Truth About Cats and Dogs
	Training	Mission Shakti	• Cyber Crime Awareness

Work Experience

	Department	Organisation	Duration
Internships	Content Writing	Cybeorg	1 month
	Data Science and Business Analytics	The Sparks Foundation	1 month
	Content Writing	PnewsSirfSach	3 months
	Campus Ambassador	Techfest, IIT Bombay	10 months
Volunteering	Subject Matter Expert	Intellify	4 weeks
Training	Python Programming	DevIncept	1 month
	HR Management	Emic Enterprise	2 months
College Committees	Member	Project Drive	2 years
	Member	Computer Society of India	1 year
